

Westlakes PSSA will hold selection trials for representative teams throughout the year in the below mentioned sports. If your child competes in any of these sports at a representative or high level outside of school, you may nominate your child by emailing the school office with the subject line: Westlakes PSSA Rep Team Nomination. blackallpk-p.school@det.nsw.edu.au

Generally, students who are at the level required for these trials are in Year 5 and Year 6, however students 8 years and older can be considered if they are participating in the sport at a representative level.

Your nomination email should include the following information:

Your child's name, age, chosen sport(s) and level of competition they compete in regarding their sport(s) and experience in these sports over the past 4 years.

This will be forwarded to Mr Kuczer who will receive information from Westlakes PSSA throughout the term. Some sports only allow us to send a specific number of students, priority may be given to older students as we may not have the capacity to conduct a trial at a school level.

Please note these are not school based teams. Nominations will have to be supported by the school sport organiser and Principal. The cost to trial varies between sports and ranges from \$10.00 - \$20.00. This levy covers the cost of the venue hire. Please do not make payment until further details are given.

Parents/Carers will need to transport their child to and from the trial.

The sports are as follows and most have separate trials for boys and girls:

- Basketball
- AFL
- Touch Football
- Netball
- Football (Soccer)
- Hockey
- Rugby Union
- Golf
- Softball
- Rugby League
- Rugby 7's – Girls
